

If **Public Safety** needed your assistance during an emergency or disaster ... would you be willing to help yourself, your family, your friends or your community?

"CERTainly" You Say

Sign up for a 20 hour training session and become part of a Riverside CERT team. Training is provided by the men and women of our elite Riverside Fire Department. Learn from those who have been on scene at California's devastating forest fires and those who were involved in the Search and Rescue efforts at the World Trade Center. Let our City Emergency Services Coordinator, Carmen Nieves, introduce you to the world of Disaster Preparedness.
